

Electronic Banking Agreement

This Agreement covers all Electronic Banking Services offered by The Geo. D. Warthen Bank. "Electronic Banking Services" includes online banking, online bill pay, mobile banking, mobile deposit capture, text banking, and electronically delivered statements. The Geo. D. Warthen Bank may discontinue any of these services at any time. See the terms in this agreement.

General Terms of Electronic Banking

1. Contact Information. Our mailing address is The Geo. D. Warthen Bank, c/o Operations Department, P.O. Box 637, Sandersville, Georgia 31082. Our email for Electronic Banking services is info@gdwbank.net. Our phone number for Customer Service is (478) 552-6901, available 5 days a week from 9:00 a.m. to 5:00 p.m. EST.

2. Enrollment. This Electronic Banking Agreement (EBA) is made as of the date you first enroll in The Geo. D. Warthen Bank Electronic Banking services. You enroll in The Geo. D. Warthen Bank Electronic Banking services and you agree to the terms and conditions contained in this EBA by clicking "I agree" at the bottom of this document. You should save this EBA to your computer or print it for your records. Your Electronic Banking services will not be activated until you agree to the EBA. The terms and conditions in the EBA supplement our Deposit Account Agreement and Disclosures ("Deposit Agreement") and any other agreements between The Geo. D. Warthen Bank (the "Bank", "we", "our", or "us") and you ("Customer", "you" or "your"). If there is a conflict between the EBA and another agreement between you and us, to the extent that the terms conflict, the EBA supersedes such other agreement. It may take up to 5 (five) calendars days after enrollment before your services are activated.

3. Agreement to Receive Communications via Electronic Delivery. By enrolling in Electronic Banking services you agree that we may send all communications on your account(s) via electronic delivery to the email address where you received the EBA. We may also continue to send you communications via regular mail. Communications include but are not limited to bank statements, check images, notice of changes to any agreement you have with us, and any other communication from us to you. You also agree that we may send you a notice directing you to an address on the Internet where the communication is posted and where you can read and print it.

4. Change in Terms. We reserve the right to modify the EBA at any time. You will be notified as soon as possible when any changes are made that materially affect your rights adversely. Notifications will either be mailed or delivered to you electronically, at our sole discretion. Changes to the EBA will be effective immediately after we make them, unless applicable law requires us to provide you with advance notification. If advance notification is required, those changes will be effective immediately after advance notice has been issued or upon the date stated in such notice, as required by applicable law. If the changes would result in any increased fees or liability to you that has not been previously disclosed under the terms of the Deposit Agreement, and/or the Truth in Savings disclosure, we agree to provide notice at least thirty (30) days prior to the effective date, if required. You may obtain a copy of any current agreement by calling us at (478) 552-6901 or by written request to The Geo. D. Warthen Bank, c/o Operations Department, P.O. Box 637, Sandersville, Georgia 31082.

5. Termination of EBA and Electronic Banking Services. If we send you an email and your email is returned undeliverable, the EBA will be terminated. It is your duty to promptly notify us if there are changes to your email address. If your online banking ID, mobile banking ID, text banking ID or other Electronic Banking service ID is not used for 6 months or more, the EBA will be terminated.

If the EBA is terminated, we may elect, in our sole discretion, to turn off your Electronic Banking services. If the EBA is terminated, we may require you to re-enroll before your services are reinstated. If the EBA is terminated or your Electronic Banking services are terminated (either by us, you, or an event uncontrollable by us or by you) you may incur account charges. Communications, including statements, which were previously delivered electronically, will not be mailed to you. You may order copies of past statements by calling (478)552-6901. Our normal copy fees will apply.

In addition, we may terminate the EBA or any agreement under which you enrolled in Electronic Banking services at any time without notice. You may terminate Electronic Banking services or the EBA with notice to us. Your termination will be effective after we have a reasonable opportunity to act on it. Electronic Banking is a convenience that we provide to you and is not a static account feature. We reserve the right to refuse Electronic Banking services to any customer. Electronic Banking carries risk for you and for us. We will not be liable to you for any fees or damages you incur due to termination of an EBA or termination of any Electronic Banking service. We are not obligated to offer Electronic Banking services. We will not be liable to you if we stop offering Electronic Banking services.

There are events that are uncontrollable by us or you that may interrupt your Electronic Banking services. These events include but are not limited to power outages, Internet service outages, mobile tower outages, government shut down, natural disasters, and acts of God. If one of these uncontrollable events occur you may not be able to use any Electronic Banking services. In addition, the continued interruption of service may cause us to terminate all Electronic Banking services and the EBA.

6. Monthly Service Charges and Other Fees. Except as otherwise provided in this Agreement or your applicable account agreements and schedule of fees, there is no monthly service charge for Electronic Banking services. However, depending on how you access Electronic Banking services you might incur charges for wireless carrier fees, Internet service provider fees, normal account fees and service charges, purchase of computer programs, payments or transfers made in excess of transaction limitations (see your account disclosures). In addition fees may be assessed for added self-service features available through an Electronic Banking service, such as stop payment requests. An NSF-fee, returned item, overdraft or similar fee may also apply if you schedule payments or transfers and your available balance is not sufficient to process the transaction on the date scheduled, or in the case of a personal check, on the date when the check is presented to us for payment.

7. Security Measures. We will use commercially reasonable security measures to maintain an appropriate level of security over the information contained in your statement and available through channels that deliver Electronic Banking services. You may electronically acknowledge and agree to any and all terms of the EBA. We

have no control over the persons who have access to your personal computer, tablet or mobile device. We will not be liable for any unauthorized access to your personal computer, tablet or mobile device or to the information maintained on your computer, tablet or mobile device, including your personally identifiable information. You are responsible to initiate and maintain adequate procedures to prevent unauthorized access to your personal computer, tablet or mobile device or unauthorized use of your electronic or other files, including your personally identifiable information. The industry standards for electronic technology are constantly changing and new standards are being developed. You acknowledge by enrolling in or utilizing Electronic Banking services that there are risks to the electronic delivery, transmission, or viewing of your account information, including but not limited to:

- Delay or failure due to technical difficulties,
- Weather conditions,
- Matters beyond our reasonable control, or
- Alteration of bank statements by third parties in spite of our reasonable security measures.

By enrolling in or utilizing Electronic Banking services, you represent to us that you have considered our security measures and find these security measures to be commercially reasonable. You should consider the content of your statements, the risks associated with the electronic delivery of all notices including your statement, the content that may be viewed and accessed by use of Electronic Banking services and our security procedures in reaching this conclusion.

8. Protecting Your Login ID. You are responsible for the confidentiality of your User ID(s) and password(s). You should not give your User ID(s) and/or password(s) to anyone. We ask for your User ID(s) and password(s) to verify your identity and authority to act on your account. If you give your User ID(s) or password(s) to someone, that person can gain access to your account and your personal information. If you suspect that your User ID(s) or password(s) has been compromised, contact us immediately at (478)552-6901.

9. Control of Your Device. You should not give your mobile phone, tablet or other Internet accessible device (collectively "device") to anyone. Your device may contain your account information or provide open access to your account to the person in possession of your device. If your device is lost or stolen, contact us immediately at (478)552-6901.

10. Reporting Unauthorized Transactions and Error Resolution. (Applicable Only to Consumer and Sole Proprietor Accounts)

- *Electronic transactions include online banking transactions, mobile banking transactions, mobile remote deposit capture transactions, and SMS (text) transactions.*
- Reporting:
 - Please contact us immediately if: (i) you think your statement or transaction record is wrong; (ii) you need more information about a transaction listed on your statement; (iii) an unauthorized person has discovered your Online Banking passcode, or has come into possession of your device; (iv) someone has transferred or may transfer money from your account without your permission; or (v) a bill payment transaction was made without your authorization.
 - We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared. If you tell us verbally, we may require you to send us your complaint or question in writing or via email within ten (10) days.
 - When you contact us, please provide the following information: (i) your name and account number; (ii) the date and dollar amount of the transaction in question; (iii) the name of the Payee if the transaction is a payment; (iv) the transaction number assigned by Online Banking, if available; and (v) a description of the transaction you have a question about. You will need to explain as clearly as you can why you believe there is an error or why you need more information.
 - We will tell you the results of our investigation within ten (10) business days after we hear from you (20 days if the error involved a new account), and we will promptly correct any error we have made. If we need more time, however, we may take up to 45 days to investigate your complaint or question (90 days if the error involved a new account). In this case, we will provisionally credit your account within 10 business days for the amount you think is in error, so that you have use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing, and we do not receive your letter in 10 business days, we reserve the right not to provisionally credit your account. If we conclude there was no error, we will send you a written explanation within three (3) business days after we complete our investigation. You may request copies of documents that we used in our investigation. **Please note, if you are given provisional credit and we determine there was no error, we will reverse the provisional credit given. Reversal of a provisional credit may result in an overdraft of your account.**
 - You may call us at (478)552-6901. You can send us a secure message through online banking. You can write us at The Geo. D. Warthen Bank, Customer Service, P.O. Box 637, Sandersville, Georgia 31082.
- Limitation of Liability on Electronic Banking Transactions:
 - Tell us at once if you believe your Online Banking passcode has been compromised, if your device has been compromised, or if someone has transferred or may transfer money from your account without your permission. The best way to minimize loss is to call us immediately. The unauthorized use of your Electronic Banking Services could cause you to lose all of your money in your accounts, plus any amount available to you under your overdraft protection plan, if applicable.
 - You have no liability for unauthorized transaction **only if you notify us within 60 days** after the statement showing the transaction has been mailed to you or otherwise delivered as agreed. If you do not, you may not get back any of the money you lost from any unauthorized transaction that occurs after the close of the 60-day period if we can show that we could have stopped the transaction if you had notified us in time. If a good reason (such as a long trip or hospital stay) kept you from telling us, we may extend the time periods.

- When you give someone your Online Banking ID and passcode, you are authorizing that person to use your service. When you give someone your device that contains your Electronic Banking information, you are authorizing that person to use your service. You will be responsible for all transactions that a person who was given your Online Banking ID and passcode or your device performs while using your Electronic Banking service. All transactions that person performs, even those transactions you did not intend or want performed, are authorized transactions. For sole proprietors, you are responsible for all transactions performed by you and any designated user(s), including an Authorized Signer(s), whether you specifically authorize the transaction or not. If you notify us in writing that the person is no longer authorized, then only transactions that person performs after the time you notify us are considered unauthorized.
 - Transactions that you or someone acting with you initiates with fraudulent intent are also authorized transactions. You will not receive credit for authorized transactions.
 - *Please note: These rules are established by Regulation E. Our liability policy regarding unauthorized debit card or ATM Card transactions may give you more protection. Please see the deposit agreement.*
- Our Liability for Failure to Complete Transactions: If we do not complete a transaction to or from your account on time, or in the correct amount according to our Agreement with you, we will be liable for your losses or damages. However, there are some exceptions. For instance, we will not be liable:
 - If, through no fault of ours, you don't have enough available funds in your account (or available funds under your overdraft protection plan, if applicable), or credit to cover the transaction or transfer.
 - If Electronic Banking services weren't working properly, and you knew about the malfunction when you started the transaction or transfer.
 - If circumstances beyond our control (such as fire, flood, natural disaster, or government shutdown) prevented the transaction or transfer, despite reasonable precautions we have taken.
 - If there are postal delays or processing delays of the Payee.
 - There may be other exceptions not specifically mentioned.

11. Setoff. Our rights of setoff granted under our Deposit Agreement remain in full force and effect. Our rights of setoff extend to transactions you complete using any form of Electronic Banking. Please consult the Deposit Agreement for our rights to setoff.

12. Disclosure of Account Information. We may disclose information to third parties about you or your transaction when it is necessary for completing transfers or bill payments, or to investigate a problem related to Electronic Banking services; to verify the existence and condition of your account to a third party, such as a credit bureau or merchant; to comply with government agency or court orders, or in connection with fraud prevention or an investigation; if you give us your permission; with our affiliates as permitted by law; or on a closed account if we believe you have mishandled it.

13. Joint Account. If you have a joint account, each of you agrees that each joint-account holder shall have authority to receive communications at the email address(es) specified. You also agree that enrollment in Electronic Banking services by one of you is sufficient to enroll your joint account in Electronic Banking services. Each of you agrees that notice to any joint account holder shall be deemed to be notice to all joint account holders. Each joint owner agrees that he or she shall be jointly and severally liable for your accounts. We reserve the right to require written instructions from all joint account holders at our discretion. Each joint account holder should use their individually assigned user ID.

14. Privacy. All information gathered from you in connection with using Electronic Banking services will be governed by our Privacy Policy. A copy of our Privacy Policy can be found on our website at www.gdwbank.com at the bottom of the page under the Privacy and Security hyperlink.

15. Participating Rights. You agree to waive and release any claims against us arising out of or in any way related to use of Electronic Banking services, except for those claims resulting solely from grossly negligent acts or omissions by us. All questions regarding your Electronic Banking services should be directed to us during business hours at (478)552-6901. You may also email us at info@gdwbank.net. Please provide the account name and email address in your communications with us.

16. Computer Specifications. In order for you to utilize Electronic Banking services your device must be enabled to support the service selected. The hardware and software requirements for specific Electronic Banking services are detailed herein. We may update the computer specifications from time to time without notice to you except as provided herein. You can obtain a copy of the computer specifications for any Electronic Banking service from our website www.gdwbank.com. We will give you notice of any change to the hardware and software requirements if the change will adversely affect your ability to access or receive account information, disclosures, and legal notices.

Note: The Geo. D. Warthen Bank does not endorse the use of software which is not currently updated or maintained by the software developer because the software may contain security vulnerabilities. The Geo. D. Warthen Bank recommends that you periodically update your operating system to help protect your financial information. The Geo. D. Warthen Bank will not be held responsible for security incidents that may result from your failure to protect your system while using our electronic services.

17. Authorization. You represent by enrolling in Electronic Banking services and agreeing to the terms of the EBA that you are authorized to do so either as an owner of the account or under the appropriate authorization from the account owner. You make this representation with the knowledge that it will be relied upon by The Geo. D. Warthen Bank.

18. Linked Accounts. Unless indicated otherwise by the context, "linked The Geo. D. Warthen Bank accounts" or "linked accounts" refers to all of your accounts with The Geo. D. Warthen Bank, including but not limited to deposit accounts, credit card accounts, and loan accounts. Your accounts include accounts that are owned by you as a consumer or sole-proprietor, and accounts that you are properly authorized to transact business on. You may be able to access all of your accounts with one Online Banking ID or through one mobile phone number using a mobile banking application or via SMS (text). You may be able to link your business account(s) to your personal account(s). You may be able to link more than one business account to another business account or personal account. You should link your accounts only if

you are authorized to link all of the accounts. You link accounts at your own risk and at the risk of the business, but not at our risk. We are not liable if your authority over any account is revoked or changed until we are informed in writing of the change in authority and have a reasonable time to act on it. If you link your personal account to your business account, you agree and understand that users and Authorized Signer(s) on your business account may be able to access your personal account information. You agree to inform us if any change in authority occurs.

19. Assignment. You understand we may assign our rights and delegate duties under this Agreement to a company affiliated with us or to any other party. However, you may not assign your rights or duties to anyone else.

20. Modification. This Agreement may be modified at any time by us. If we modify the terms of this agreement we will send you notice of the change if we are required to do so. You may not modify this Agreement without our written consent.

21. Enforceability. We may waive enforcement of any provision of this Agreement. No waiver of a breach of this Agreement shall constitute a waiver of any prior or subsequent breach of this Agreement. Any such waiver shall not affect our rights with respect to any other transaction or to modify the terms of this Agreement. In the event that any portion of this Agreement shall be deemed to be invalid, illegal, or unenforceable to any extent, the remainder of this Agreement shall not be impaired or otherwise affected and shall continue to be valid and enforceable to the fullest extent permitted by law.

22. Disclaimer of Warranties. YOU AGREE YOUR USE OF ELECTRONIC BANKING SERVICES AND ALL INFORMATION AND CONTENT (INCLUDING THAT OF THIRD PARTIES) IS AT YOUR RISK AND IS PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. WE DISCLAIM ALL WARRANTIES OF ANY KIND AS TO THE USE OF ELECTRONIC BANKING SERVICES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. WE MAKE NO WARRANTY THAT THE ELECTRONIC BANKING SERVICES: (i) WILL MEET YOUR REQUIREMENTS; (ii) 4

WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR FREE; (iii) THAT THE RESULTS THAT MAY BE OBTAINED FROM THE SERVICE WILL BE ACCURATE OR RELIABLE; AND (iv) THAT ANY ERRORS IN THE SERVICES OR TECHNOLOGY WILL BE CORRECTED.

23. Limitation of Liability. YOU AGREE THAT WE WILL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, INCLUDING BUT NOT LIMITED TO DAMAGES FOR LOSS OF PROFITS, GOODWILL, USE, DATA OR OTHER LOSSES RESULTING FROM THE USE OR THE INABILITY TO USE THE SERVICES INCURRED BY YOU OR ANY THIRD PARTY ARISING FROM OR RELATED TO THE USE OF, INABILITY TO USE, OR THE TERMINATION OF THE USE OF ELECTRONIC BANKING SERVICES, REGARDLESS OF THE FORM OF ACTION OR CLAIM (WHETHER CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE), EVEN IF WE WERE INFORMED OF THE POSSIBILITY THEREOF.

24. Arbitration and Class Action Waiver. *You and The Geo. D. Warthen Bank (the "Bank") agree that if a Dispute arises between you and the Bank, upon demand by either you or the Bank, the Dispute shall be resolved by the following arbitration process. The foregoing notwithstanding, the Bank shall not initiate an arbitration to collect a consumer debt, but reserves the right to arbitrate other disputes with its consumer customers. A "Dispute" is any unresolved disagreement between you and the Bank. It includes any disagreement relating in any way to Accounts, or matters; to your use of any of the Bank's banking locations or facilities; or to any means you may use to access the Bank. It includes claims based on broken promises or contract, torts or other wrongful actions. It also includes statutory, common law, and equitable claims. A Dispute also includes any disagreements about the meaning or application of this Arbitration Agreement. This Arbitration Agreement shall survive the payment or closure of your Account. **YOU UNDERSTAND AND AGREE THAT YOU AND THE BANK ARE WAIVING THE RIGHT TO A JURY TRIAL OR TRIAL BEFORE A JUDGE IN A PUBLIC COURT.** As the sole exception to this Arbitration Agreement, you and the Bank retain the right to pursue in small claims court any Dispute that is within the court's jurisdiction. If either you or the Bank fails to submit to binding arbitration following lawful demand, the party so failing bears all costs and expenses incurred by the other in compelling arbitration.*

*Either you or the Bank may submit a Dispute to binding arbitration at any time notwithstanding that a lawsuit or other proceeding has been previously commenced. **NEITHER YOU NOR THE BANK SHALL BE ENTITLED TO JOIN OR CONSOLIDATE DISPUTES BY OR AGAINST OTHERS IN ANY ARBITRATION, OR TO INCLUDE IN ANY ARBITRATION ANY DISPUTE AS A REPRESENTATIVE OR MEMBER OF A CLASS, OR TO ACT IN ANY ARBITRATION IN THE INTEREST OF THE GENERAL PUBLIC OR IN A PRIVATE ATTORNEY GENERAL CAPACITY.** Each arbitration, including the selection of the arbitrator(s), shall be administered by the American Arbitration Association (AAA), or such other administrator as you and the Bank may mutually agree to (the AAA or such other mutually agreeable administrator to be referred to hereinafter as "Arbitration Administrator"); according to the Commercial Arbitration Rules and the Supplemental Procedures for Consumer Related Disputes ("AAA Rules"). To the extent that there is any variance between the AAA Rules and this Arbitration Agreement, this Arbitration Agreement shall control. Arbitrator(s) must be a member of the state bar where the arbitration is held, with the expertise in the substantive laws applicable to the subject matter of the Dispute. No arbitrator or other party to an arbitration proceeding may disclose the existence, content, or results thereof, except for disclosures of information by a party required in the ordinary course of its business or by applicable law or regulation. You and the Bank (the "Parties") agree that in this relationship: (1) The Parties are participating in transactions involving interstate commerce; and (2) This Arbitration Agreement and any resulting arbitration are governed by the provision of the Federal Arbitration Act (Title 9 of the The Geo. D. Warthen States Code), and, to the extent any provision of that Act is inapplicable, unenforceable or invalid. If any of the provisions of this Arbitration Agreement dealing with class action, class arbitration, private attorney general action, other representative action, joinder, or consolidation is found to be illegal or unenforceable, that invalid provision shall not be severable and this entire Arbitration Agreement shall be unenforceable.*

This Arbitration Agreement does not prohibit the Parties from exercising any lawful rights or using any other available remedies to preserve, foreclose, or obtain possession of real or personal property; exercise self-help remedies, including setoff and repossession rights; or obtain provisions or ancillary remedies such as injunctive relief, attachment, garnishment, or the appointment of a receiver by a court of competent jurisdiction. Any statute of limitations applicable to any Dispute applies to any arbitration between the Parties. The provisions of this Arbitration Agreement shall survive termination, amendment, or expiration of the relationship between you and the Bank.

Arbitration fees shall be determined by the rules or procedures of the Arbitration Administrator, unless limited by applicable law. Please check with the Arbitration Administrator to determine the fees applicable to any arbitration you may file. Unless inconsistent with applicable law, each of us shall bear the expense of our own attorney, expert and witness fees, regardless of who prevails in the arbitration.

25. Governing Law. This Agreement is governed by Georgia law.

Please note: Our business days are Monday through Friday, excluding federal bank holidays.

1. General Terms of Online Banking. Online Banking services permit you to perform a number of banking functions through the use of a personal computer or other device which is enabled to access our Online Banking web address, on accounts linked to the service. Warthen Bank, including but not limited to deposit accounts, credit card accounts, and loan accounts. Your accounts include accounts that are owned by you as a consumer or sole-proprietor, and accounts that you are properly authorized to transact business on. Some of the above services may not be available for certain accounts, customers, or if you access Online Banking from a device other than a personal computer.

5. Online Banking Alerts. You may set up account alerts through Online Banking. Each account has different alert options. You can select which account alerts you want to receive. You must have a valid email address or cell phone number in order to receive account alerts. Alerts will be sent to the email address you have provided as your primary email address for Online Banking. If your email address or cell phone number changes, you are responsible for informing us of that change. While we do not charge for the delivery of alerts, please be advised that data charges or rates may be imposed by your carrier. We may add new alerts from time to time, or cancel old alerts. We usually notify you when we cancel alerts, but are not obligated to do so. Alerts may be delayed or prevented by a variety of factors beyond our control (such as system failures or misdirected delivery). We don't guarantee the delivery or accuracy of alerts. The contents of an alert may be outdated by the time an alert is sent or received, due to other activity on your account or to delays in sending data among various systems. You agree that we are not liable for any delays, failure to deliver, or misdirected delivery of any alert; for any errors in the content of an alert or for any actions taken or not taken by you or a third party as a result of an alert. Alerts may contain your name and information about your account. Anyone with access to your alerts will be able to view the contents of these messages.

6. Processing of Online Transfers.

- Immediate Transfers between eligible Deposit Accounts:
 - Transfers are immediately reflected in the available balance. However, the transfer may not reflect in your account information until the next business day.
 - Some account types cannot be set up to receive funds.
- Scheduled Transfers between eligible Deposit Accounts:

If the transfer's status is In Process or Processed, you can no longer cancel it.

Please note: Our business days are Monday through Friday, excluding federal bank holidays.

7. Available Information Limitations apply to the information you receive about your accounts. Your Available Balance is the amount of money in your checking account or savings account that is currently available for you. Your Available Balance includes all of your cleared and processing transactions. Keep in mind that transactions you have made but The Geo. D. Warthen Bank has not yet received need to be subtracted from your Available Balance for you to know the exact amount of money you have to spend or withdraw. Your Available Balance does not include the amount of a deposit not currently available (including holds). You may also view your Current Balance. Your Current Balance may be different from your Available Balance. Your Current Balance does not include: (i) any transaction that has not been processed by us (check, recurring debit card transactions, ACH); (ii) amount of deposit not currently available (including holds); and (iii) debit card transactions identified as authorized.

8. Online Banking Bill Payment Processing.

- Payments can be scheduled from most linked accounts and can be entered as a one-time transaction or a recurring transaction.
- Scheduled recurring payments that fall on a weekend or non-bank business day will be scheduled and processed the next day.
- You authorize us to make payments **in the manner we select** from the following methods:
 - Electronic transmission. Most payments are made by electronic submission.
 - Personal check. This is a check we draw on your account based on your authorization to do so under this Agreement and by your enrollment in Online Bill Pay.
- Scheduling of Bill Payments:
 - The date you enter for your payment date is the date your payment will be initiated. Please allow 2-3 days for electronic payments and 7-10 days for check payments to be delivered to the Payee.
 - For payments made by electronic transmission, the payment amount will be debited from, or charged to the account on the payment date. If the scheduled payment date is a weekend or non-business day, then the payment date will be the **prior** business day.
 - For payments made by personal check, the account you designate will be debited when the check is presented to us for payment which may occur, on or after the scheduled payment date.
 - If we are unable to complete an electronic payment because of insufficient funds in your account we will continue to attempt to process the payment until your account has sufficient funds or until you delete the order to pay. Please make sure funds are in your account when you request an electronic bill pay payment. Failure to have sufficient funds in your account may result in fees from third parties for late payments.
 - As indicated above, some payments may be made by personal check. Since we can't predict the exact date that a personal check will be presented to us for payment, please make sure you have sufficient funds in your account when you schedule the delivery date and keep such funds available until the payment is deducted from your account. You may be subject to NSF fees if funds are not available or other fees from third parties for late payments or returned checks.
- In order to cancel a payment you must log into Online Banking Bill Payment and delete the payment. You may not delete a payment that is in process or has been processed.

Please note: Some account types have withdrawal limitations which could result in a fee if used to initiate an online bill payment. Consult your account disclosures.

Please note: Our business days are Monday through Friday, excluding federal bank holidays.

9. Service Hours. Online Banking services are available 365 days a year and 24 hours a day, except during system maintenance and upgrades.
